

How do you become / or remain Friends of Vires Animaliae?

In order to keep giving the animals what they need, and to let grow the Non-profit organization, we need your help! To do this, we have introduced the 'Friends of Vires Animaliae' program.

This option is for Companies, freelancers, associations, actually every organization that fits within our collective vision.

You can choose from the options below:

- You could choose to give training with our animals here. You will pay the proceeds of the planned training (at least € 250 per year), to the animals that stay here. Of course you pay outside those €250,- the location costs, and if necessary, overnight accommodation and catering. We will give our thanks to you with a mention on our website, a picture and a link to your site.
- If you choose support by helping with things such as training equipment or consumables worth at least €250,- per year, that is the payment for the listing on our site.
- If you would like to support Vires Animaliae Financially, you can pay at least €175,- per year, and we will mention your name, a picture and a link to your site.

With all three options we regularly share a topic from your FB page on the FB page of Vires Animaliae, and sometimes on the private page of Monique. We now have an average of 10.000 visitors a week on our Fb page, which will only increase. You can write at least one blog a year about what you do or what you want to share. We will make a Blog from it, and share it again with many costumers and cliénts.

Do you also want to become Friends of Vires Animaliae, give training here with the animals, provide business support, share your own knowledge with us. Or perhaps the name of your organization on our site, please send us an email:
